# ProfilePro

**Project Name:** ProfilePro (profile management system).

**Date:** 04-09-2024

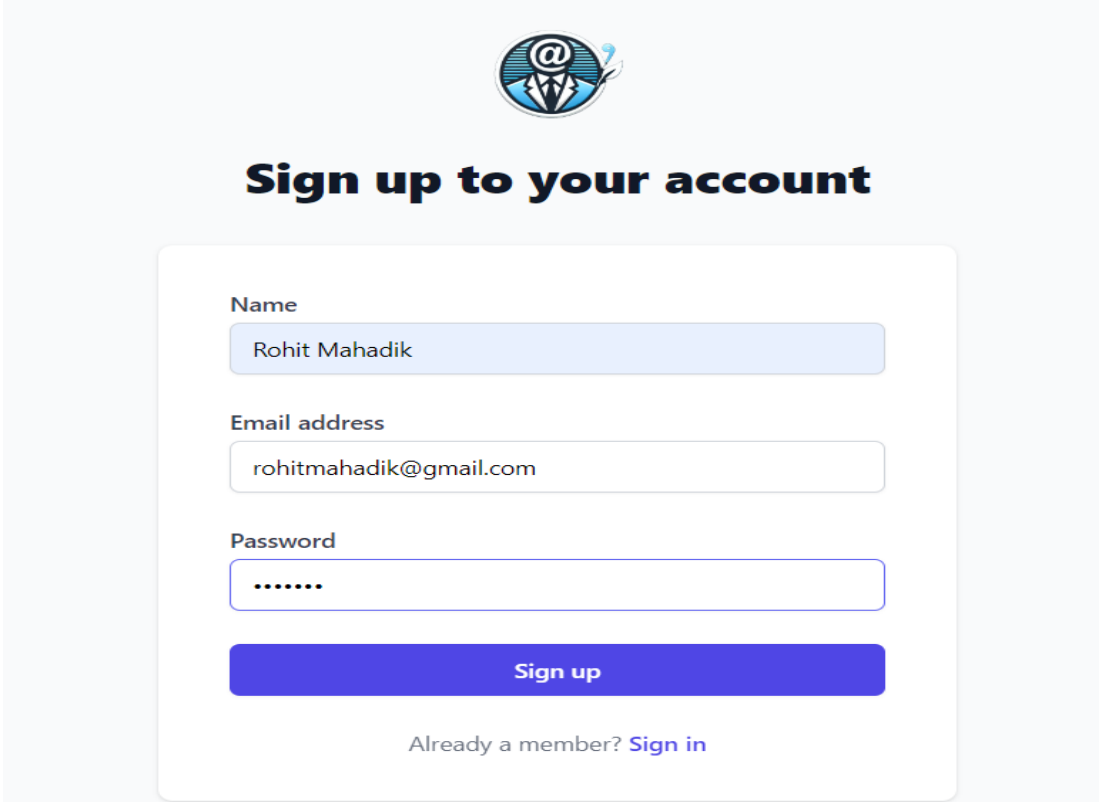

**Author:** Rohit Ananda Mahadik.

**Introduction:** ProfilePro is a sleek and easy-to-use web application for managing professional profiles. This user guide helps you understand how ProfilePro works and its workflow.

- **Features:**
  - **Easy Registration & Login:** Quickly sign up and securely log in to your account.
  - **Profile Management:** Create, update, and organize your professional profiles effortlessly.
  - **Secure Access:** Your contact information is safely stored and accessible from any device, anytime.
  - **Advanced Search:** Find specific contacts easily with powerful search options.

With ProfilePro, managing your professional contacts is simple and efficient. Follow this guide to make the most out of all the features and streamline your profile management.

## Sign-Up Process:

The image shows a sign-up form for ProfilePro. At the top, there is a circular logo featuring a stylized '@' symbol and a person in a suit. Below the logo, the text 'Sign up to your account' is displayed in a bold, dark blue font. The form itself is a white rounded rectangle with a light blue border. It contains three input fields: 'Name' with the value 'Rohit Mahadik', 'Email address' with the value 'rohitmahadik@gmail.com', and 'Password' with masked characters '.....'. A blue 'Sign up' button is positioned below the password field. At the bottom of the form, there is a link that says 'Already a member? Sign in'.

## Sign up to your account

**Name**  
Rohit Mahadik

**Email address**  
rohitmahadik@gmail.com

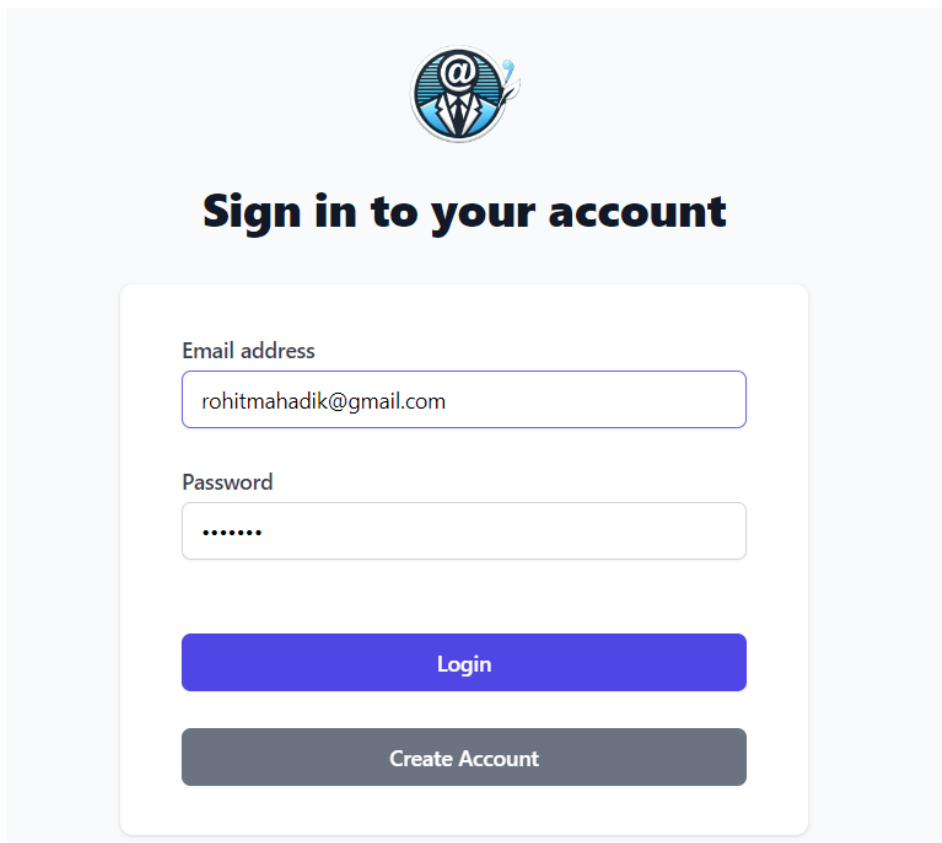

**Password**

Submit

The "Contact Us" page is designed to allow users to communicate with the company by filling out a form with their full name, Gmail, and phone number. Here's how it works:

- **Form Fields:** Users need to fill in the following details:
  - **Full Name:** The user's full name.
  - **Gmail:** The user's Gmail address.
  - **Phone Number:** The user's contact number.
- **Form Submission:**
  - After filling in the details, the user clicks the "Submit" button.
  - A loading effect is shown to the user to indicate that the submission is in progress.
  - If the email is sent successfully, the user will see a message saying, "Thank you for contacting us! We will get back to you soon."
  - If the email fails to send, the user will see a message saying, "There was an error. Please try again."
- **Company Notification:**
  - The company receives an email containing the user's information, which they provided in the form. This helps the company to get in touch with the user later on.

- On this page, you can see all your saved contacts
  - Search:** Use the search box to find contacts by name.
  - Add Contact:** To add a new contact, click the "Add" button next to the search box. This will redirect you to the "Add Contacts" page.
  - Update and Delete:** Each contact has "Update" and "Delete" buttons, allowing you to easily modify or remove your contacts as needed.

## Add Contact Page:

The image shows a web form titled "Add Contact" with a light gray background and rounded corners. It contains several input fields and two buttons at the bottom. The fields are labeled "Name", "Phone No.", "Email", "Address", and "Designation", each with a placeholder text "Enter your [field name]". The "Address" field is a larger text area. Below the "Designation" field is an "Upload Image" section with a "Choose File" button and the text "No file chosen". At the bottom are a blue "Submit" button and a green "Contacts" button with a person icon.

**Add Contact**

**Name**  
Enter your name

**Phone No.**  
Enter your phone number

**Email**  
Enter your email

**Address**  
Enter your address

**Designation**  
Enter your designation

**Upload Image**  
Choose File No file chosen

**Submit** **Contacts**

On the "Add Contact" page, users are required to fill in several details to add a new contact. These fields include Name, Email, Phone, Address, Designation, and Image.

Below these input fields, there are two buttons:

1. **Submit:** This button is used to submit the data and add the new contact to your list.
2. **Contact:** This button is used to navigate back to the "View Contacts" page.

Additionally, the "Add Contact" page also serves as a platform to update existing contacts. When a user clicks the "Update" button on a contact, they are redirected to this page where they can modify and save the updated information.

**Summary:** ProfilePro is a comprehensive profile management system that prioritizes user experience and data security, providing a range of features to manage professional contacts efficiently.
